## Profile

Detail-oriented Associate UI Developer with a Diploma in Computer Science and Engineering from Govt. Girls Polytechnic Gorakhpur, offering 2.5 years of expertise. At Exalogic Consulting, Bangalore, I've been pivotal in the UI Team, contributing significantly to diverse projects. Proficient in HTML, HTML5, CSS, Bootstrap, JavaScript, React, Chakra UI, Tailwind CSS, and Ant Design. Beyond frontend, I am familiar with backend technologies like PHP (CodeIgniter/Laravel) and Appgyver, ensuring optimal web application visibility and performance through SEO best practices. Equipped with VS Code, IntelliJ, GitLab, GitHub, and Figma.
