<https://www.linkedin.com/in/swati-chaurasia-7a8a26220>

Working on..

HTML, CSS/SCSS, Bootstrap, Javascript/jquery, React.js since Oct 20, 2021 to design interactive, user-centered and responsive website.

Currently working on Realcube Project which is based on Properties and Facilities Management using React.Js, Chakra UI and Next.Js.

Looking for better and challenging opportunity to advance my skills for technical and financial growth.

A Hardworking and Passionate UI Developer with strong organizational skills.

Ready to support team to achieve their Success Goals.

Professional Experience

Work Experience..

Developed application UIs via emerging front- end technologies like HTML, CSS, Bootstrap, Javascript, JQuery, React JS, Chakra UI.

Hands on experience in developing Interactive UI Screens, implementing functional Logics using HTML, CSS, Javascript/Jquery.

Few projects are mention below..

- Worked as Frontend Developer - **Edental Portal** 
- Worked as Frontend Developer - **Realcube Portal** 
- Worked as Frontend Developer - **Engage App** 

Developed UI Screens as per logic using HTML Css and JQuery.

Also developed UI Screens using React Js, by passing Props, useState , using various packages like Ant Design, react Counter, react-icon, react-apexcharts , Chakra UI.

Worked with design teams and project managers to develop and present Logical UI Screens.

Collaborate with designers to implement concept and design of website.

Developed User-friendly, Interactive and Responsive Web page Design.

Worked on SEO optimization .

Learning Node Js.

- In this I used Node JS, Express Js, Schemas, and mongodb.
- Developed Register and Login Screen.
- In this user can Register through new email and Login to the same.
- For Data storage I used Mongo DB.

Projects

Edental, Realcube, Provis , Ecademia, Mall Management, POS - Point of Sale, Engage, SCMAF, SmartFarm, E-Nursing. RCOAPM, My Villa

In these projects I used HTML, CSS/SCSS, Javascript/Jquery, Bootstrap. I developed UI Screens and functionality.

Additional Experience..
