Swati Chaurasia

Ballia, India 277123 - 9170839445 - swatichaurasia9445@gmail.com

Professional Summary

With 2 years of experience, I possess proficiency in HTML, CSS/SCSS, Bootstrap, React JS, Chakra UI, Tailwind CSS, Git, Appgyver, Figma, Excel, and scripting languages. I can create structured web content, design responsive interfaces, develop interactive React applications, and utilize UI libraries like Chakra and Tailwind. Additionally, I'm well-versed in version control (Git). My scripting skills enhance workflow efficiency. Overall, I offer a versatile skill set for web and software development.
